**DECLARATION IN SUPPORT OF FILING ON BEHALF OF UNCOOPERATIVE  
INVENTOR LARRY BINDER, JR. UNDER 37 C.F.R. § 1.47(a)**

Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Sir:

I, Giuseppe Molaro, Associate Attorney of Jones Day in New York, an attorney involved in the prosecution of the above-identified patent application on behalf of Thomas R. Keyer; and Martin Walther, hereby declare that:

1. This declaration is made on facts of which I have first hand knowledge and facts which are relied upon to establish that diligent efforts were made to secure the execution of a Declaration by inventor, Lawrence J. Binder, Jr., for the above-identified application in the United States Patent and Trademark Office.

2. Lawrence J. Binder, Jr. is a named inventor of the above-identified application.

3. The last known address of Lawrence J. Binder, Jr. is 5025 Sundance Court, Doylestown, PA, 18901.

4. On information and belief, on August 10, 2004, I sent Mr. Binder a letter via Federal Express to his last known address enclosing a copy of the above-identified patent application, along with an unexecuted declaration, and requested that he review the application, sign the unexecuted declaration, and return the executed declaration to my

attention. (A copy of the letter enclosed in the Federal Express package is attached as Exhibit A. Confirmation that Mr. Binder received the letter is attached hereto as Exhibit B).

5. On information and belief, on August 10, 2004, I called Mr. Binder on his home phone, his cell phone and an alternate cell phone to state that I was sending him a copy of the above-identified patent application, along with the unexecuted declaration. Mr. Binder's contact numbers were, and still are, all disconnected.

5. On information and belief, on August 16, 2004, that Mr. Binder made arrangements to meet with Ms. Kathy Pavlik in Paoli, Pennsylvania to execute a declaration in connection with the above-identified application.

6. On information and belief, on August 16, 2004, that Mr. Binder failed to show up to execute said declaration.

7. On information and belief, that since August 16, 2004, Mr. Binder has been in the process of moving from his residence at 5025 Sundance Court in Doylestown, Pennsylvania, and that Mr. Binder has refused to provide us with updated contact information thereby rendering it nearly impossible for me to contact Mr. Binder again in the future.

8. On information and belief, that numerous previous attempts to contact Mr. Binder to execute declarations in connection with other pending applications have also been unsuccessful.

9. Based on the foregoing, I have concluded that Lawrence J. Binder, Jr. refuses to execute a Declaration in connection with the above-identified application.

10. I further declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed true; and further that these statements were made with knowledge that willful false statement and the like so made are punishable by fine or imprisonment, or both, under 18 U.S.C. § 1001, and that such willful false statements may jeopardize the validity of the application or any patent issuing thereon.
